

How to install Origin

Step one : go to this link : <https://www.originlab.com/demodownload.aspx>

Step two : select the two check boxes like shown below

The screenshot shows the OriginLab website with a banner stating "30+ years serving the scientific and engineering community". A navigation bar includes links for Products, Apps, Purchase, Support, Communities, About Us, and Contact Us. Below the banner, a message says: "Thank you for your interest in downloading a trial version of Origin/OriginPro. The trial version is fully functional. Once installed, you can request a 21-day license." A question "Which best describes you?" is followed by three radio button options: "I own Origin. I just want to download latest version installation files", "I own/have used older version of Origin and I would like try Origin", and "I have NEVER used Origin". The third option is selected. Another question "What is your sector?" has four radio button options: "Commercial", "Government", "Academic (Faculty, Postdoc, Staff)", and "Student", with "Student" selected. A blue "Continue" button is at the bottom.
